Dedication

 $\mathcal{A}^{\text{UGUSTA}}$ boasts of her history, of her traditions, and of her sons. It is with a pride akin to reverence, that we dedicate THE RECALL of 1927 to

Mr. Peter H. See Class of 1866

our oldest living alumnus. The dignity of the "Lost Cause," blended with the courtesy of the real Virginian, makes him a typical gentleman of the "Old School." A man of character, a God fearing man, he is one of the rocks on which the foundation of this institution is laid. Quiet and unassuming in the twilight of a model life, his presence is a sermon, his smile a blessing, and his handshake a benediction.

RECALL

RECALL

October at A. M. A.

When Autumn dips her magic brush
In heaven's wondrous bow,
She paints on campus tree and shrub
The sunset's gorgeous glow.

The vine upon the barracks wall

Burns redder than a pyre;

The maples mount the entrance guard
In uniforms of fire.

On every hand the painted leaves

Like banners greet the eye,

And with a color riot rare

Their Artist glorify.

Amid this beauty born of death

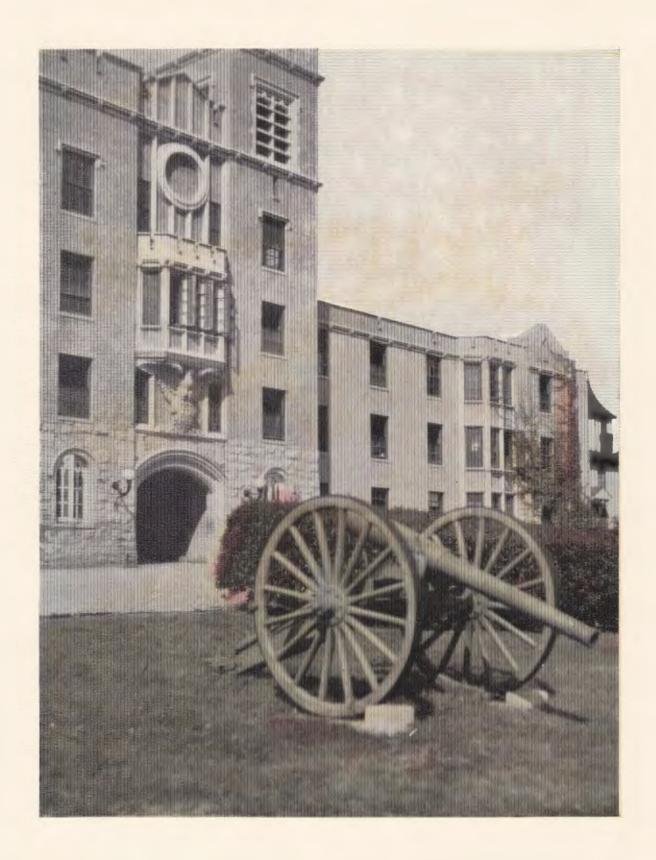

No sadness comes to me,

For here dwells youth, perennial

As immortality.

S WE come to the close of the year and look back on it from a military standpoint, we can but realize what a success it has been.

Notwithstanding the fact that this is the first year that Major Chester has been at this kind of work, he has certainly proved his ability. He

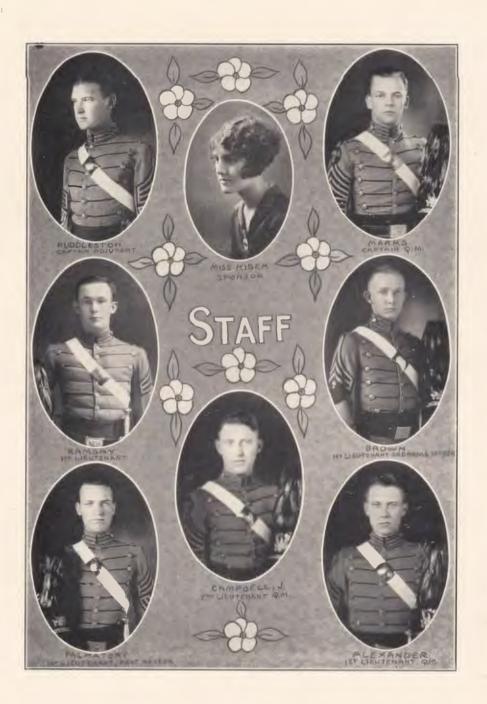

was most ably assisted by Captain Kennedy, who has been here for the past six years and knows the ropes thoroughly. We deeply regret that he is retiring after this year and will not be with us next term; at least not in his present capacity of assistant to the Professor of Military Science and Tactics.

The 37 Mm. gun and machine gun were under the supervision of Major Yates. Whether his knowledge was gathered while with the Marines in bygone days or was merely studied in anticipation of getting a crack at China is immaterial. The fact remains that he handled both excellently.

The Band this year was a great improvement over last year's. When we marched on the field at parade, we could stick out our chests with the pride that we felt, instead of having to worry about the step the Band was playing and how it made our company look.

And yet, the primary object of our military training for the year is "The Quest of the Silver Star." Have we been successful in convincing the Government Inspectors of our true merit? Who knows? But whether our efforts have been rewarded by the crown of victory or not, we feel sure that everyone of us has done his best.

Review of the Rifle Team

The rifle team this year was highly successful, and made for themselves an enviable record. After some weeks of intensive training and elimination the following men were chosen: Hudson, Graves, Smith, E., Bell, W., and Trinkle. Hudson was elected captain, and to him goes the credit for the unusual interest shown in the team. The team was very fortunate in having as excellent and experienced a coach as Captain Kennedy.

Captain Hudson made the best score for the season, with Smith, E., as a close second. In the third corps area match, while we did not win highest honor, we did, nevertheless, come out among the first. There were two individual school medals given by the U. S. Government, the recipients of which were Hudson and Smith, E. Taken as a whole, the team did some excellent shooting, and we regret very much that all of them will not be back with us next year. In conclusion, we wish to whole-heartedly congratulate them and to extend to Captain Kennedy our sincerest thanks for his very fine coaching.

The Y. M. C. A. is an organization founded in the early years of the school. It has grown from infancy to be one of the most important features of cadet life. It is run wholly by the cadets and for the cadets, and each program is of entertaining and beneficiary importance to them. The Y. M. C. A. is something at Augusta of which we are all proud, and are proud to be a part of it. The past year has been a successful one for the Y. M. C. A. Its enrollment has increased forty per cent, and the programs have been a source of pleasure and benefit to the cadets.

This year something new was started in the form of a deputation team. This team, composed of cadets, is the first one that has ever been successful. Many wonderful meetings were given to schools in the near vicinity, and each in itself was an evening worth while. The success of our Y. M. C. A. has been due in a great measure to the worthy co-operation of Mrs. Robinson and Captain Webb. These two are the old standbys of the Y. M. C. A., and their advice has given many a good program.

We all hope that the "Y's" in the future will be even bigger and better than this one, and do as much to bring the spirit of God to the cadets.

The Bible Class, which was first started and carried on under the guidance of Captain Frank Gilliam, has progressed rapidly this year under the leadership of Major H. A. Jacob, due to his unlimited range of subjects. We sincerely hope this work may always be helpful to those who in future years attend.

Ciceronian Literary Society

HE Ciceronian Literary Society plays a most important part in the activities of this school. It is controlled by the cadets and is under the direct supervision of Major Roller, who is the official critic. He aids the officers in directing this organization in accordance with parliamentary rules, and assists in the selection of interesting subjects for debate, choosing those concerning the vital questions of the day.

The meetings are held once a week, giving to those on the program ample time to prepare their subjects in a satisfactory manner. The presi-

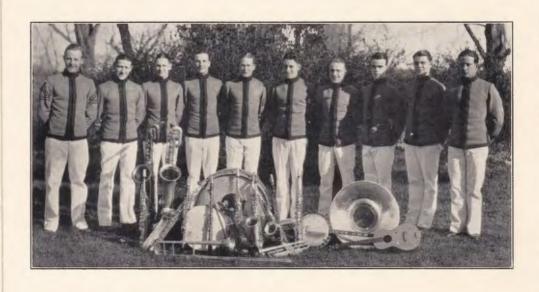

dent presides at their meetings, and the program is handled by cadets. There are always debates, readings, orations, and essays, the last being something new here this year, and it has proved a great success.

The chief good derived from this society is found in the development of ease and freedom of public speaking, a valuable asset to any man, the main object being not to turn out great orators or speakers, but to lay a foundation on which to build.

This year has been one of the best the Ciceronian Literary Society has had. It has been marked by success from the start. May the good work keep up and the years to come be as good as those passed.

Football Resume

HE season of 1926 was a success. We are justly proud of a record of six games won; five by substantial scores and one through forfeit. It is true we lost three games; these, however, by narrow margins. It is rather a coincidence that each of our opponents had a good team the same year we did. Of the nine games on our schedule, there was not a "set up" in the lot. We had to fight all the way. Because the competition was keen and because they encountered the most strenuous opposition, this year's team was the best since the State Champions of 1917, and one of the best that ever represented Augusta.

Shenandoah Collegiate Institute had a veteran eleven and when, after only a few days practice, we beat them in our first game 13 to 0, we "thought we would have a good team."

In a spectacular game the following Saturday, when we came from behind to overcome

Fork Union on their home field 24 to 7, we "believed we would have a good team."

A week later, when the Episcopal High School, playing at Alexandria, suffered its first defeat in football at the hands of an A. M. A. eleven, one of the few reverses met with on their own gridiron in years, and this by the convincing score of 16 to 6, we "knew we had a good team.

Augusta was defeated for the first time by the Freshmen of W. and L. University. We were supposed to be playing out of our class, but soon after the kickoff it became apparent that it was anybody's game and we were just as good as they were. W. and L. was leading by a lone touchdown at the end of the second half, and the final whistle alone prevented a

most threatening Augusta attack from materializing.

We showed our greatest strength against S. V. A. It was one of those days when everything "went." We could have "gotten away with murder." Shenandoah contested every yard, but it was our "good day," and we beat them 40 to 0.

And then came the Woodberry game. Two great teams met and a great team won. It

was such a game that you read about but seldom see. A perfectly played contest; a fight to the finish. We led them at the half 7 to 6 and clung tenaciously to this one-point advantage through the third and most of the fourth quarters, but a beautifully executed forward pass in

the last few minutes of play snatched victory from Augusta.

Our next game was at Fort Defiance, and we won it. We did not do a "comeback," for we had not been anywhere. We simply played true to form and beat the strong and yet un-

defeated team from Massanutten Academy 24 to 0.

The following Saturday, owing to an error in their schedule, the Harrisonburg High

School forfeited to us, and we were deprived of a much needed workout.

And then came Thanksgiving Day. The reported weakness of Fishburne failed to ma-And then came Thanksgiving Day. The reported weakness of Fishburne failed to materialize, and the game was one of the hardest of the year. Owing to a double penalty, which deprived us of a touchdown, we were behind 3 to 0 at the half time. In the last two quarters we scored a field goal and a touchdown, but failed to make the point after the latter. This spelled defeat for Augusta, as F. M. S., with its characteristic dash in the last few minutes of play, shoved the ball across our goal line and made their try for point.

Collier, Edwards, McAllister, and Smith were four backs of which any college would

have been proud. Jacob, as quarter, had no equal in the state for brains and general ability. In Slusser and Runnels, Augusta had two of the best ends that ever wore the blue and white. We boasted of three rugged tackles in Marrow, Stone, J., and Rogers. Mundin, Harris, W., Harris, C., and Ramsay were four excellent guards. Saunders at center though the lightest man in the line. was aggressive and an accurate passer. Byers, Adelson, Roller, Robinson, Payne, Brown, R., and Goodwin, J., could be substituted at any time and perform creditably.

It would be ingratitude to conclude this article without a word of praise for our coaches. Captain Dean taught the team "football" and instilled in them a thorough knowledge of the strategy of the game. Captain Denton kept the men in splendid physical condition and fostered in them a high "moral." Captain Kellogg put a dash and drive in the backfield that made them dangerous at all times, and we must thank Captain Glendye for the aggressiveness and co-oordinated play of the line.

COLLIER

HALFBACK AND CAPTAIN

"Yank," our captain and star halfback, is one of the greatest players and leaders Augusta has seen in a long time, and was another member of the eleven to receive honorable mention on the All State Team. Many a touchdown he has saved by his fierce and nervy tackling, when he was the only man between our opponent and the goal. This was especially shown in the Woodberry game. His "fighting spirit" always kept the team going, and this had a great deal to do with our successful season. He could always gain around the ends or through the line. We predict for him a success in college that will eclipse the splendid record made while at Augusta.

JACOB

QUARTERBACK AND ASSISTANT CAPTAIN

To "Jake," our assistant captain and All State quarterback, goes much of the credit for the team's success. By his selection of plays and his accurate throwing of passes, he gained much fame. His defensive work was an outstanding feature, because of his uncanny ability to size up opponents' plays. We are very sorry "Jake" will not be back next year, and hope he will do as well for the college he attends as he did for A. M. A. the past three seasons.

RUNNELS

END. CAPTAIN-ELECT

In "Nip," our captain-elect, we have a man whose name was known throughout the state as one of the best ends ever produced by an Augusta eleven, and another one of our eleven to receive honorable mention for the All State Team. His hard tackling made many an opponent fumble. His work in receiving passes during the Woodberry game and his general all around play brought him many favorable comments. We are sure "Nip" will make an ideal leader for the team of 1927.

McALLISTER

FULLBACK, ASSISTANT CAPTAIN-ELECT

To "Mac," one of the last year's "Four-Horsemen," goes the honor of assistant captain for next year's team. We are confident that he will, by his great offensive and defensive work, become one of the outstanding backs in Southern "prep schools. "Mac," although suffering from an injury received during the middle of the season, wound up the year in his usua lhard-hitting and smashing style.

MUNDIN

GUARD

"Deda's" wonderful and consistent work throughout the year earned for him an honorable mention on the All State Team. We are fully assured, barring injuries, he would have been considered one of the leading, if not the best guard, in the state. His knack of getting under an carrying his man out, helped clear the way for many a need yard. We are sorry to say "Deda" will not be back next year, and know that his position will be hard to fill.

RAMSAY

GUARD

"Erk," another light man on the line, time after time proved a stumbling block to our opponents; and whether giving interference or "opening up" a hole, proved a great help to the "back" carrying the ball. After being one of our old reliables for the past three years, we are sorry to lose him, and know that his absence will be keenly felt. We wish he could be persuaded to return.

MARROW

TACKLE

"Tom's" job was looking after left tackle, and he took it seriously. He guarded it carefully and as tenderly as if it was his only child. Large of stature, but very young, he labored under two difficulties: awkwardness and inexperience. These he gradually overcame, improving with each game. Untiring worker and conscientious in his training, another year will find "Big Old Lovable Two-fisted Tom" one of the best in the state.

ROGERS

TACKLE

"Tip," another "Big Boy" of the aforesaid works, conditioned very slowly and did not find himself until late in the season. A little slow, perhaps, but possessing experience and a thorough knowledge of the game, he could fill ably, almost any position on our line. He kept his feet well, and with his height and reach, few substantial gains were made through his position. "Tip" will make some college a valuable man.

STONE, J.

TACKLE

Another product of Carolina who did much to uphold our wonderful record was "Joe." Until the middle of the season, he was out due to sickness, but from then on he easily made up for lost time. During the Fishburne game he proved his worth by his remarkable charging through and breaking up of plays. "Joe" will be missed during the coming season.

SAUNDERS

CENTER

"Gunga," though the lightest man in the line, easily made up for it by his aggressiveness. He was another one of our eleven to receive honorable mention for the All State Team. Though playing his first year on the varsity, he performed like a veteran, and not once during the season did he make a bad pass. On defense, he was very adept at breaking up forward passes. The college that "Gunga" attends will have a man of whom they may well be proud.

HARRIS, C.

GUARD

"Plumber" time after time, by his hard tackling and his knack of recovering fumbles, easily proved his worth to the team. In leading interference and getting down into our opponents' territory, he made for himself a great name and many admirers. We are very glad to know that he will be <code>uack</code> next year, and feel sure he will again prove his worth.

SLUSSER

END

"Rip," another of this year's eleven who made the All State team, was the fastest man on the squad, and made a reputation as the best forward pass receiver in "prep" circles. Rip was one of our leading stars, and when used in the backfield, the whole team felt assured of a gain. His defensive work was outstanding, and very seldom, if at all, did an opponent gain around his end. We are very glad "Rip" will be back next year, and know he will keep up his fine work.

HARRIS, W.

GUARD

When the call for candidates for the team was heard, Harris was persuaded to come out. Though he had seen only one football game before in his life, he rapidly developed into one of our leading linesman. "Clem" was a general all around man, and proved his worth by stopping many an opponent's rush. We are glad to say that he will return another year.

EDWARDS

HALFBACK

In "Eddie," we find another all around backfield man who, by his remarkable tackling, held his opponents spellbound. He also was one of the hardest men to stop that we have ever had. His work in the Episcopal game was one of the outstanding features of the season. We are very sorry "Eddie" will not return. However, we are very proud of him, and know that some day he will reach the top in his college career.

SMITH

FULLBACK

"Smitty" came to us from Lynchburg High School with a fine reputation, and we are glad to say lived up to it, receiving a place on the second All State team. His educated toe helped us out of many a tight hole, and he was one of the hardest running backs seen on "The Bowl" for many a year. We are glad to say "Smitty" will be back next year.

Basketball Resume

URING the past season Augusta faced one of the hardest schedules ever undertaken, and the team of 1927 went through the season in excellent style.

This was due to the return of five letter men and three excellent newcomers who helped to round out a splendid team.

A. M. A. claimed the State Preparatory Schools of Virginia and had just cause for it, defeating all prep schools in the state, and also the champions of North Carolina, West Virginia, and

the champions of Pennsylvania, All Eastern High School Tournament and District of Columbia.

Augusta defeated such prep schools in Virginia as follows: Fishburne, R.-M. A. (Bedford), Fork Union, E. V. S., Woodberry, Massanutten, E. H. S., S. V. A., and also such formidable teams as W. and L. Junior Varsity, S. C. I., York Scholastics, and St. Mary's Celtics.

After winning twenty out of twenty-one games the quintet entered the W. and L. Tournament, at which they defeated Danville High, Greenbrier Military School, Oke Ridge, and met defeat in the finals at the hands of the strong John Marshall team.

The basketeers then journeyed to Washington and played two past-season games, winning over Central High, winners of the Pennsylvania Tournament and losing to Eastern High. This ended the most successful season that Augusta has ever gone through.

Too much praise cannot be given to the coach, Major Roller, for his untiring efforts and ability to handle men. He is one of the greatest coaches the school has ever had, and returned to the form after a lay-off of several years. The success of this year's team is due to him, and we thank him.

We must thank also the Junior Varsity, who participated in many games, though not receiving their letters. The success of every team always depends on its reserve strength, and in this we were not lacking.

The Organization of Basketball at the Augusta Military Academy

UGUSTA MILITARY ACADEMY was the first preparatory school in the State of Virginia to have an organized basketball team. In December, 1906, Ned Black, a cadet then of A. M. A., organized the first team. Ned Black was a star center on the high school team of Butler, Pennsylvania, and he had been coached by one of the famous players of Penn. State.

A. M. A. the first year of basketball played the Staunton Y. M. C. A. and the Washington and Lee University varsity teams,

They broke even with Washington and Lee University and were beaten both games by Staunton Y. M. C. A.

The Staunton Y. M. C. A. at this time had one of the best teams in the South,

in that they beat every college team in Virginia.

The personnel of the first basketball team of A. M. A. was as follows: Forwards, Karl Krug, Pennsylvania, C. S. Roller, Jr., Virginia; center and captain, Ned Black, Pennsylvania; guards, Scott Gardner, Missouri; Harry Venable, West Virginia; substitutes, Harry Tschudy, Virginia; Del Warner, Pennsylvania, and

Mordica Gardner, West Virginia.

The first basketball at A. M. A. was played in an old assembly hall thirty by forty, and the ceiling was but twelve feet high. Naturally the team was very much handicapped, yet with all this the showing they made was really wonderful. When the first call for candidates was made, but six men responded, but after canvassing the school ten men were secured regularly to come out and play and practice.

At that time basketballs were but six dollars apiece, yet it was recorded that the basketball squad that first session had but one ball to practice with and used that same ball for all of its games. There were no such things then as personal fouls, and a man could make as many fouls as he wished without being eliminated

from the game.

Augusta Military Academy has had champion basketball teams of the preparatory schools of Virginia the following years: 1906-07; 1910-11; 1913-14;

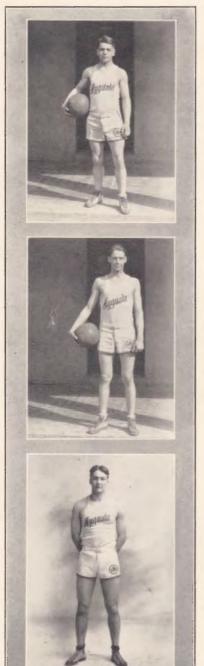

1915-16; 1917-18; 1926-27.

Major Roller is submitting an all A. M. A. team for the last twenty years. Some of these players have not only become famous in their own state, but have

become famous nationally. The teams are as follows:

First Team—Right forward, Oppleman, member of the teams of '17, '18, '19; left forward, Jacob, member of the teams of '25, '26, '27; center, Conway, W., member of the teams of '25, '26, '27, ties with Black, member of the teams of '06, 07; running guard and captain, Balthis, member of the teams of '15, '16, '17, '18; left guard, Edwards, member of the team of '27.

Second Team-Left forwards, "Chuck" Lewis, member of the teams of '19, '20, '21, ties with Edwin Fox, member of the teams of '14, '15, '16; right forward, Gibbons, member of the teams of '11, '12, '13; center, Red Scott, member of the teams of '17, '18, '19, and Bill Collingwood, member of the teams of '09, '10, '11; stationary guard, Schwalb, member of the teams of '10, '11, '12; running guard, Archie Nelms, member of the teams of '14, '15.

JACOB

CAPTAIN, RIGHT FORWARD

"Jake," the fast, accurate forward of Augusta during the past three seasons, showed us what a real basketball player should be. His wonderful plaving and leadership clearly demonstrated fitness for the captain of the teams wnich he has led for the past two years. During the season of 1927, "Jake" alone scored 300 points, having a record wnich is hard to beat. The papers have called him a "Goal Ace." Well has he earned this title by his accurate shooting and miraculous drilling. This is his last year, and we are sure his place on the team will be hard to fill.

CONWAY, W.

ASSISTANT CAPTAIN AND CENTER

"Bill," the lanky boy from the state where fast horses are bred, surely has lived up to Kentucky's reputation for sneed. His position at center, during the past three seasons, has been well taken care of. Not a time did Conway fail to return the ball to his mates, when it was possible for him to do so. He, too, was given a place on the "All South Atlantic" Prep School Team. We will miss "Bill" a great deal another season, as this is his last year also.

RUNNELS

STANDING GUARD

"Nip," a dark horse from last year's squad, has stepped to the bright lights this past season. This leech-like guard stuck to his man in every game, and records show that he allowed only a few to score during the season. His consistent and steady work, as well as his abilit to inspire his teammates with the old Augusta spirit, has proven him well deserving of all honors that could be bestowed on him. His man has never yet gotten away from him. "Nip" will return, thank goodness.

BLAKEMORE

STANDING GUARD

"Zeke," our standing guard, has well deserved his place on the team. His wonderful playing in the E. H. S. game is never to be forgotten. If it hadn't been for "Zeke's" close guarding there might be a different tale to tell, but as it is, we won by a small margin. Not only in this game, but others also, did "Zeke" display his ability. We expect to see his smiling countenance with us next year.

REIST

CENTER AND GUARD

"Harry," playing his second year on the varsity, showed his old time form. Playing both center and guard in true style, along with his ability to ring up baskets from the center of the court, he proved a valuable man to Augusta during the past season. We are very glad and happy to say that "farry" will be back to help next year.

EDWARDS

RUNNING GUARD

"Eddie," a newcomer to Augusta this year, has proven himself well deserving of the position bestowed upon him at the tournament, where he was picked as "All Tournament" Guard, also "All South Atlantic" Guard. He deserved this honor, possessing the ability to shoot from any angle of the floor, and for his speed. He guarded his men well and at the same time records show that he has scored quite a few points. We regret very much that "Eddie" will not return to Augusta in September, but we are sure he will make good at any college. Our good wishes are with you, boy, so go to it "Eddie."

TROTT

LEFT FORWARD

"Syd," another newcomer to Augusta this year, has shown up well at his position. He has sufficient height, can wriggle and dribble through any opponent, and is splendid in defense. He has had sufficient experience, plays spectacular at times, and has never shown fear of his man, no matter how strong he may have been. We are looking for a big man and a well around player in Trott, if he returns.

LYNCH

LEFT FORWARD

Howard has given quite a bit of competition for his place this year. But his ability to shoot finally won the laurels for him. He is exceptionally good on foul shots, and usually averaged points for every one attempted. He works the floor well, and is an exceptionally good dodger. Anyone finds it almost impossible to stay with him. We hope to have him back with us next year.

BRATT

MANAGER

"Louis" has been one of the greatest helps to the team this year. He was on the job every day and attended to everything in his line. He was always there to welcome the visiting teams, and everyone has remarked upon his earnestness and ability. We thank him for his untiring efforts during the season, and can assure him that his efforts were appreciated.

Baseball Resume

The prospects of this season were very bright. Due to good weather and the coaching of Captain Ott we have a well balanced and fast moving nine.

At the election, J. L. Jacob was elected captain, and W. B. Huddlestun assistant captain. With these two and three other letter men, the season opened with vigor. The following letter men and new ones go to make up the squad of 1927: Jacob, Huddlestun, Marrow, Burgess, Whitehead, Craun, Tignor, Harris, W., Williams, Collier, McCue, Fleischman, Wilson, Slemp, T., Patterson, and Sparkman.

At the time of the Recall's going to press, we feel sure the team will come out on top of many of the scores.

Baseball Resume At Augusta from 1909 to 1927

HIS baseball resumé is not written to blow off steam, nor is it to praise any one person or team, but to trace the progress of Uncle Sam's national sport at Augusta from 1909 through the present year, which ends about the middle of May.

Along with the gladness of springtime comes one of the greatest sports. Who can stay indoors when he hears the Ump's deep-toned voice, the solid crack as the willow meets the ball for a trip to far off "Lily Valley," the encouraging words from the

sidelines, or the thrill when a fielder makes a sensational play?

The grand game has its calling for both young and old, and there is no wonder that many youths hasten every day after school to the sand lots, there to take part in the game which so fascinates every red-blooded American youth.

SEASON OF 1909

The team of 1909 had bright prospects for a good season. Although handicapped by the loss of the past season's "Regulars," it was soon found out that the new candidates knew their stuff, when the practice started in earnest. The first game came and the following men wore the Blue and White uniform.

SEASON OF 1913

(An Extract from the RECALL of 1913)

For many years in the late past it must be admitted that our pitching staff has been weak. We are not following the custom of some schools, so we will be frank and say we are doubtful. Although having three of last year's second string hurlers and five leading hitters, we are only hoping to see Augusta on top. The line-up was: Gallagher (captain), Gibbon, Sheppe, Shumake, Morassy, Crist, Dudley, Lyons, Nelson, Vance, Burdette, Norris, Clemmer, Loth, Crenshaw, and Gregg.

SEASON OF 1915

(An Extract from RECALL of 1915)

As the Recall went to press in 1915, baseball was just being inaugurated, and consequently very little can be said as to the results of the season, although we predict and expect a winning team. An excellent schedule has been arranged, and we play nearly all the leading preparatory schools in Virginia. The team: Burdette (captain), Garth, Brooks, Loth, Shumake, Ireland, Finley, Crenshaw, Rawlings, Fleming, Vicars, Leech, Livick, Robbins, Roper, Saunders, and Walker.

SEASON OF 1916

Every school has its falls and sorrows, but the season was far from any of these, due to the superior coaching of Captain Carter and his ability to impart his knowledge of the game to those eager to learn and win the coveted "A." Having arranged a seventeen-game schedule, the call for candidates sounded, and it seems as if the whole school turned out to help our team and its "wonder" coach. The varsity consisted of: Shumake (captain), Brooks, Fleming, Roper, Moore, Finley, Leech, Davis, Walker, Close, Deal, and a bench packed with "subs."

SEASON OF 1917

This season was held up somewhat on account of bad weather, but soon the storms left the old Clay Bowl high and dry, paving the way for the "ball tossers," who hit the "pill" for long "rides," under the watchful eye of Coach Carter. Only three letter men returned from the past season's team, forming the nucleus of a varsity. The players were: Christian, Roper (captain), Moore, Ashby, Oppleman, Parker, Eggborn, Scott, McWhorter, Hogshead, and Diuguid.

SEASON OF 1918

The following few lines can only start to describe the team of 1918. Captain Carter, the old reliable coach of former years, was at his post earlier than usual, preparing for the season. When the call came for candidates, all the cadets were prepared to set back and watch our team step out. With a full schedule of twenty-one games, everyone did his best and then some to make the varsity team. The more fortunate ones were: Christian, W. (captain), Mell, Lewis, Scott, Christian, E., Diuguid, McWhorter, Pack, Hulvey, and Harwood.

SEASON OF 1919

The first call for fresh material did not go unheeded. Some forty men applied for the squad, and to give all they had for the good old school. The chances of a fine team were greatly enhanced by the return of Captain Carter, from the Army. The team was built around four letter men. When finally picked, the following cadets were given uniforms: Christian, W. (captain), Sitler, Harwood, Palmer, Smith, E., Deal, Hogshead, Sullivan, Marrow, Leech, Pack, and Davis, E., with close to twenty substitutes warming the bench.

SEASON OF 1921

This certain season opened with perhaps the best outlook of any former one. Although eight letter men returned, there were at least forty men out to scratch and dig for positions on the "Big Nine." In passing, let it be said that it is not merely physical baseball that makes a team. Real teams are made of physical ability, combined with honest work, unrelenting application, alertness of mind, and a high morale, coupled with an unconquerable spirit. The "Big Nine" positions were filled with these men: Marrow (captain), Nugent, Pack, Phillips, Hulvey, Moseley, Pillow, Hatchet, Ott, and Eller, plus twelve substitutes.

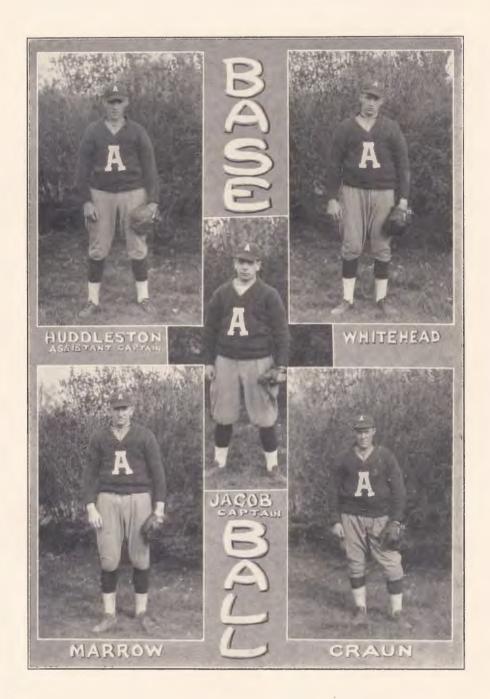

SEASON OF 1922

The team of 1922 at first had the prospects and cadets under a cloud, but favorable weather, a few hard weeks of practice, and Coach Carter soon erased all doubts of a bad season. The following ball tossers formed the team of that year: Phillips (captain), McArthur, Craun, Crawford, Fick, Hulvey, Kennedy, Howard, Steele, Rice, Rowan, and Kavanaugh.

Track Resume

HE outlook for track this year is very bright. With five letter men back,

we should be able to build up a good team.

About six meets have been scheduled. These are with Fork Union, Blackstone, V. M. I. Freshmen, Washington and Lee Freshmen, V. P. I. Freshmen, Fishburne, and the State Meet. A meet with Virginia Episcopal School is also pending.

There is a world to be a support to the state of the sta

There is a wealth of material in barracks. With the co-operation of everybody, we should be able to come out with flying colors. As the RECALL goes to press before the season begins, we can only forecast the

coming season, and hope it will be successful. In the dashes we have two fast men in Adelson and Reist, both letter men from last year. We cannot say which is the fastest, as they are evenly matched. Kincaid is said to be another good man in these events, but as he has not been out to practice up to this time, we are living in expectation. With these three men, we should get places in the hundred and two-twenty-yard dashes in any meet.

Lohmyer is the only 440 man back from last year's team. Captain Kellogg has stated

that he will try Adelson and Reist as running mates for him.

In the mile and half-mile, we have to find new men. Brown, R., who won the half-mile in the State Meet last year, is with Augusta this year. In Jennings, Alexander, and Vaughan, J. D., we have other good men.
For the shot and discus, we have McAllister, of last year. "Mac" has been improving

steadily and should run away with things this season. Edwards and Keblinger are two men for this event.

In the high jump, Lohmyer and McAllister are two hard men to beat. "Mac" placed in the State Meet last year with a jump of five feet eight inches.

Hudson, the captain of the team, excells in the pole vault. "Soapy" has gone well over ten feet, and looks as though he will go higher. At present he is the only man out for this event.

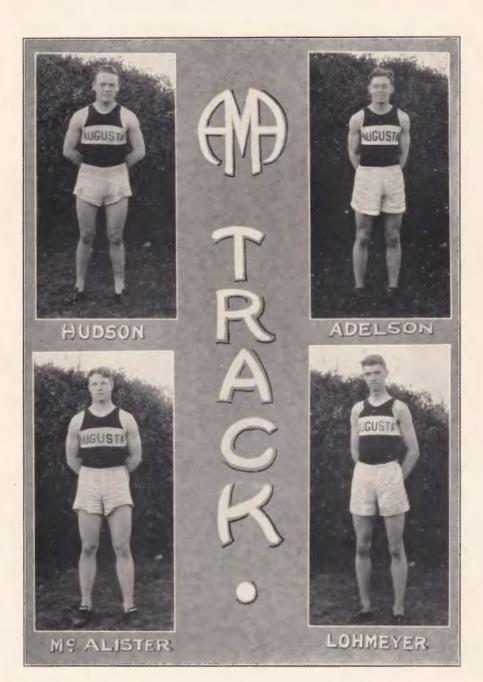

In the hurdles we have Lohmyer and Skinner. Our hopes are centered on these two men. The broad jump is our main trouble this year. Street is the only man left from last year, and he has been doing well in practice. Kincaid, with his speed, should make a good jumper.

We are hoping for the best of success in track. We are fortunate to have Captain Kellogg as coach, and if we work with him earnestly and faithfully, we should have a good

History of Track

1917

This was the beginning of track at Augusta. Twenty-five men answered the call for candidates. Captain R. K. Massie was the coach. Prospects for meets did not look so bright, as the war interferred. The only one held was the State Meet, held at the University of Virginia. At this A. M. A. took second place. The events in which we scored were: First in the mile and half mile, second in the shot, third in the quarter mile, third in the high jump, and placed in the dashes. The team gave a good account of itself, even though it was the first year.

1918

Again Augusta took second place in the State Meet. The men who comprised the team this year were: Hudgins (captain), Blackstock, Weaver, Penn, Burge, Crowley, Lindsey, Earhart, McCorkle, Brown, and Birchett.

1919

Things did not look so good for track this year, as only one letter man returned. Two meets were scheduled, one with S. M. A. and the other at the State Meet. The team worked hard under the coaching of Captain Dudley to get into condition. Only a few men answered the call for candidates, but they put over a winning team.

1920

Major Roller assumed the duties of coach this year, and at a meeting of the track squad, Crowley was elected captain. A large number of men responded to the call for candidates. Among the men were Penn for the short dashes, Crowley in the quarter mile, Temple in the "half" and mile, McCorkle in the running broad jump, Fontaine the high jump. Other men just as good were in the remaining events. Meets were scheduled with S. M. A., Washington Central, and the State Meet. S. M. A. was defeated by the score of 59-58 in one of the most exciting track meets ever seen at Augusta.

1021

In 1921 Major Roller again took the rôle of coach. About fifty men responded to his call for candidates. There was a wealth of material on hand, and all did their best to uphold the name of Augusta. The sprint men were: Magie, Kellogg, R. W., Kelly, Hogshire, and Fontaine. In the half mile McPherson, Heistand, and Montague. Heistand and Standiford in the mile, Kellogg, Kelly, and Magie in the hurdles. For the weights and jumps, Fontaine, Taylor, Sanders, Bridger, and Gerow. Meets were scheduled with Woodberry, V. E. S., S. M. A., and the State Meet.

1922

The team was coached by Major Roller again this year. Meets were scheduled with Woodberry Forest, Virginia Freshmen, the State Meet at Charlottesville, and S. J. A. The team was captained by Kelly, W., and Magie, assistant captain. The team had a very successful season.

1923

Only one letter man returned this year, but after the first meet several stars were found. V. E. S. was our first opponent, and we beat them. Later we defeated Fishburne. Next we met Virginia Freshmen and Woodberry in a triangular meet. Then the State Meet, where we took fourth place. Captain Summers was coach, and put forth a wonderful team.

1924

The team was under the coaching of Captain Caldwell this year, and he performed his duties well. In the dashes were Nicholson and Spangler, Sproul for the hurdles and high jump. The broad jump was well taken care of by Hogshire. In the weights were: Smith, K., Burton, and Colvin.

1925

Five letter men returned to us this year, and under the coaching of Captain Caldwell, put over a good season. Jones and Howe, two new men, added strength to the team in the mile and half mile runs. Nicholson and Spangler won first and second place in the 100 and 220 dashes at the State Meet. Other letter men were Sproul (captain), Smith, R., and Kelly.

1926

Track did not have a very bright outlook, as there were no letter men back in 1926. However, the team made a wonderful showing, considering their lack of experience. Adelson, Reist, and Evans were the short distance runners. Lohmyer, Breeden, Jennings, and Alexander took care of the distance runs. For the discuss, McAllister was the best man. The shot was Feimster's duty. For the broad and high jump, we had Evans, McAllister, Kiser, Street, and Lohmyer. Meets were held with V. M. I. Fresh, Fork Union, Fishburne, and the State Meet. Captain Ott took the coaching duties, and performed his work well.

From a large number of candidates, but only two letter men, Captain Deane developed a team that has not been beaten this season in prep school circles, and but once by freshmen tank men. This is a very wonderful record, one in fact that might well be envied by a team of all letter men.

RESUME

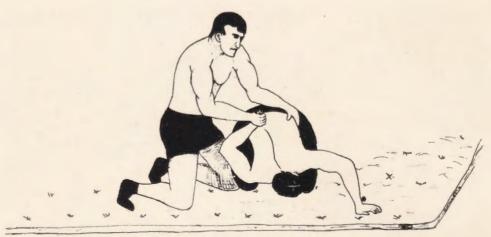

Before giving the details of the various meets, we would like to mention our coach. In the three years that Captain Deane has been in charge of our swimming team, he has turned out three state champions. He has improved good material and has developed real swimmers from novices.

After four weeks of hard work, the team met the Washington and Lee Freshman team in the Staunton Y. M. C. A. pool. The "Little Generals" were sent back to Lexington at the short end of a 43 to 19 score. This was the first chance we had in which to see how our new team would show up against one of our usual "Swimming Rivals."

In the next meet, the team swam against the University of Virginia Freshmen in the Staunton "Y" pool. We had more competition in this meet. When the last event was over

we had more competition in this meet. When the last event was over we had an advantage of nine points. For the return event with the "Young Cavaliers," Captain Deane's tank men traveled to Charlottesville, and swam in the University's large pool. They were defeated by the score of 40 to 17.

In the last and only "Prep" school meet of the season the team was opposed by Devitt Prep, of Washington, D. C. The outstanding point winner of the visiting team was their interscholastic champion in the dives. Devitt had defeated some of the stronger teams in Maryland before coming to Fort Defeated by the university for them and become return. Maryland before coming to Fort Defiance, but unhappily for them and happily for us, they returned to Washington, losers, by the score of 40 to 22.

Wrestling Resume

For the eighth consecutive year A. M. A. has gone undefeated in wrestling by prep. schools. True, there are very few prep schools in this section, or anywhere, for that matter, that have wrestling as a sport, but Augusta has shown her superiority by the very decisive victories over those schools she has met, both this season and in years past. In addition to this a creditable showing was made against the stronger freshman teams of the nearby colleges and universities. Much credit is due those few men who stuck to it through the season and helped to make the team what it was. It might be of interest to know that except for the first week of practice there were only twelve men out for a seven-man team. As for the men on the team, their record speaks for itself, and they are to be congratulated. To those who did not make the team, more congratulations are in order, and it is around them that future teams will be built.

For the second year Pryor, E., has captained the team and has shown his mettle as a finished wrestler by winning five clean-cut victories out of five matches in his own weight, and to this he added another by gaining a decision over one man in the class above him, bringing his total to six. It is with extreme regret that we look forward to losing him from the team next year. Stone and Hudson, of last year's team, also went through the season undefeated. Conway, P., and Harris, C., deserve much praise for their showing throughout the season in view of the fact that they are both in the welter-weight division, and on several occasions it was necessary for each to wrestle in the middle-weight division. The newcomers on the team were Graves in the bantam-weight, and Marrow in the heavy-weight. Both made fine records in spite of their lack of experience. Others who deserve honorable mention are Tribin, Grimes, Byers, Stone, R., and Robson.

Monograms were awarded to the following men: Graves, 115-lb. class; Pryor, E. (captain), 125-lb. class; Hudson, 135-lb. class; Conway, P., 145-lb. class; Harris, C., 145-lb. class; Stone, J., 175-lb. class; Marrow, unlimited class.

RECALL

Wrestling History

RESTLING was started back in 1921. We are grateful to Fishburne for the incentive. They challenged us and we accepted. Although they no longer have a mat team, we have been at it ever since. It was just rough enough and requiring speed, skill, and endurance, the cadets took to it as "ducks to water," and it has proven immensely popular.

We had always felt the need of more indoor sports, and wrestling supplied this. Then, too, it offered opportunities in the many weights which the other sports did not. The small man could be as much of a "star" in

his class as the muscular heavyweight. It provided possibilities and exercise for the man not gifted in the three "majors," who would otherwise become a "nester."

The pioneer coach was Captain Parse, of Washington and Lee, and he laid a foundation upon which his successors, Captains Riley Harrison, "Smiley" Denton, and "Slump" Glendy, have built winning teams.

We have labored under one great disadvantage: the lack of a fair competition. Most of our meets have been with college freshmen, and although the "bacon" has usually hung in our smoke house, when hostilities ceased, the advisability of meeting teams in our class is quite obvious. V. E. S. gave us a run for our money this year. Another year we would like to see F. M. S. return to the mat, and Woodberry, Episcopal High, and other schools of this class have teams. Then wrestling would take the place amongst the winter sports that it deserves.

Augusta is proud of her mat scores and proud of her matmen. Glancing through the records, we see such names as "Piggie" Hogshire, Cacace, Roberts, Roach, Wilkes, P., Wilkes, W., "Friday" Meadows, Pat Kelly, "Madam" Fix, Ralph Smith, "Chicken" Pannell, Manly Williamson, Phillips, R., and Ralph Holsinger. All of these were good men, and many have made places on college teams. To this list of huskies, we will add the names of our present day stars: Graves, C., "Goat" Prior, "Soapy" Hudson, "Plumber" Harris, Conway, P., George Tribin, Stone, J., and Tom Marrow.

It will probably be of interest to the lovers of this sport to see how these men would stack up when arranged in all All School Team. Prior, E., Wilkes, P., and Hogshire are 125-pounders that are good enough for any company. As "Goat" on more than one occasion has shown his ability to make weight, I give him undisputed possession of the 115-pound class. In view of his wonderful showing at W. and L. for the past two years, I would give Wilkes the call over Hogshire. We will concede the 135-pound class to "Soapy" Hudson without argument. If anyone doubts the wisdom of this choice, "Soapy" will take him on. Amongst a number of good men, I select Roberts, of 1921, to head the 145 pounders, and because of his knowledge of wrestling and the fact that he was never defeated, I would honor him with the captaincy of the team. "Friday" Meadows looks best to me at 158 pounds. He has been a teammate of Wilkes at W. and L. For his aggressiveness and general ability, I would turn again to '21 and choose Roach as champion light heavy-weight. In the unlimited class, my selection would be either Ralph Smith or Stone, J. Both were good men and both made splendid records, with Stone having, perhaps, slightly the better of it.

RECALL

The Boxing Season

E HAVE introduced at A. M. A. a new study, known as "Fisticuff," which is closely related to the great study of Astronomy.

Last year this popular sport secured a foothold at A. M. A., and much

interest was aroused. This year the interest increased.

We can boast of a successful season, which was only marred by a

small number of meets due to our inability to secure opponents.

On January 29th we met the V. M. I. Freshmen here and won by the score of 4-3. On March 12th we met the V. M. I. Freshmen at V. M. I., and being unable to furnish a heavyweight we had to forfeit that class, thus giving V. M. I. the meet 4-3. Then on the 7th of March we were to box the Woodberry

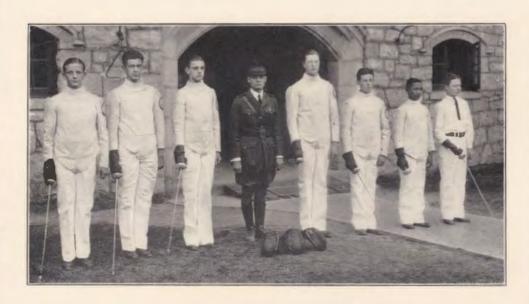

Forest Team at Orange, Va., but due to scarlet fever and mumps at that school the match was cancelled.

It may be of interest to know that the above is the only match in which the V. M. I. Freshmen were defeated. They defeated S. M. A. twice, University of North Carolina Freshmen, University of Virginia Freshmen, and the V. P. I. Freshmen by wide margins. By this we feel justified in claiming the prep school and high school championship of Virginia Freshmen, and the V. P. I. Freshmen by wide margins. ginia and are willing to meet any prep school or high school boxing team, in a neutral ring, who refutes the above statement.

The squad, under the leadership of "K. O." Payne, captain and manager, ranged around twenty for all season consisting of the following: Assistant Captain Robinson, W., Timberlake, McClammy, Dockery, Ghrist, Merrick, Adams, T., Buck, W., Pratt, Geismer, Christian, M., "Three Round" Connors, Fitts, Harrison, Anderson, W., Woods, W., Smith, B., and Neikirk.

Tryouts were held before each meet and the following is a list of the winners of the tryouts, the ones who participated in the meets:

BUN MAR MILLER, G.

Fencing as a sport was introduced at Augusta in the fall of 1926, and not much was thought of it until after the Christmas holidays.

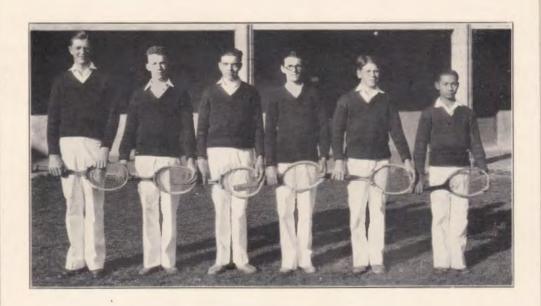

When the corps returned a call was made for contestants in this sport, and the interest was shown by the squad of fifty-two which answered.

As the men grew proficient under the splendid instruction of Major Yates, the team was picked, consisting of six men.

Nine schools were challenged, and in March, after but two months' work, the team fought Western High School, of Washington, D. C., losing by the very creditable score of five to four against a team which was composed of men with three or more years' experience.

The team next went to Washington for a return match, and though losing again by a very close score, they defeated the holders of the District of Columbia and Maryland fencing championships.

Not enough praise can be given to Major Yates for his splendid help. He made in two months a team which compared favorably with teams of many years' standing, and our greatest thanks go to him.

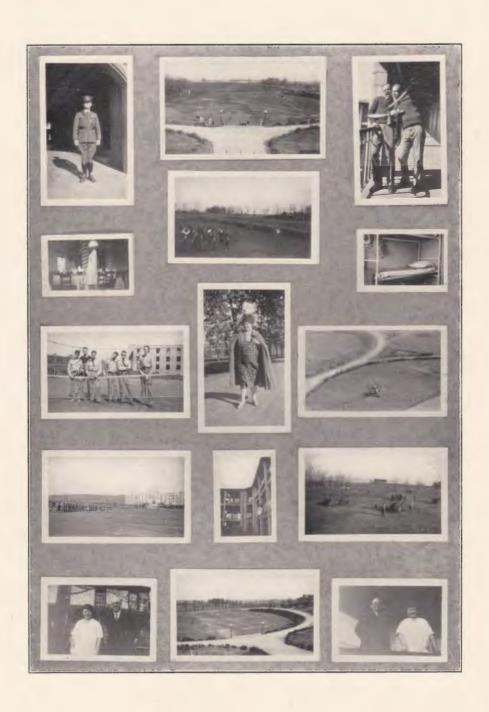

Tennis

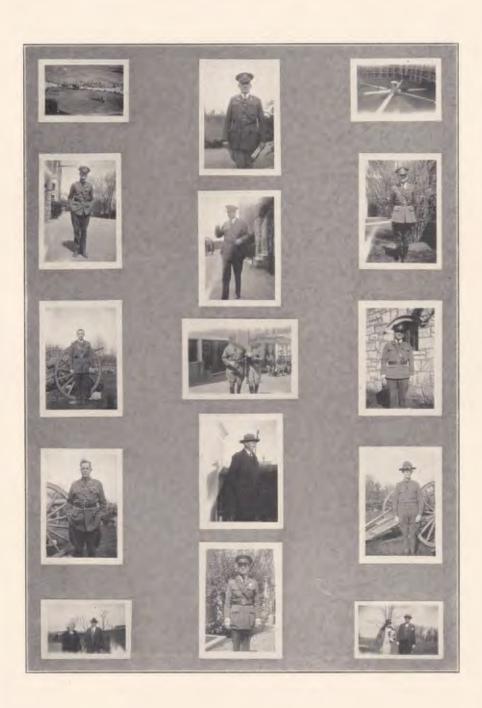

In previous years tennis has not been very well organized, due to lack of interest, but it is to be hoped that it will gain popularity in the near future. Although no matches have been played to date, prospects are very good for a successful season. Due to the efforts of Captain Webb a schedule has been arranged which gives promise of many hotly contested matches. In view of the number of likely candidates who hope to become members of this year's team, the editor might add that in his opinion the opposing teams will encounter some stiff opposition. We are fortunate in having this year three men of last year's team: Messmore, McGiffert, and Palmer, the latter being captain-elect for this year's team. Captain Webb (who, by the way, is an excellent coach) hopes to use these three veterans as a nucleus to build up another championship team.

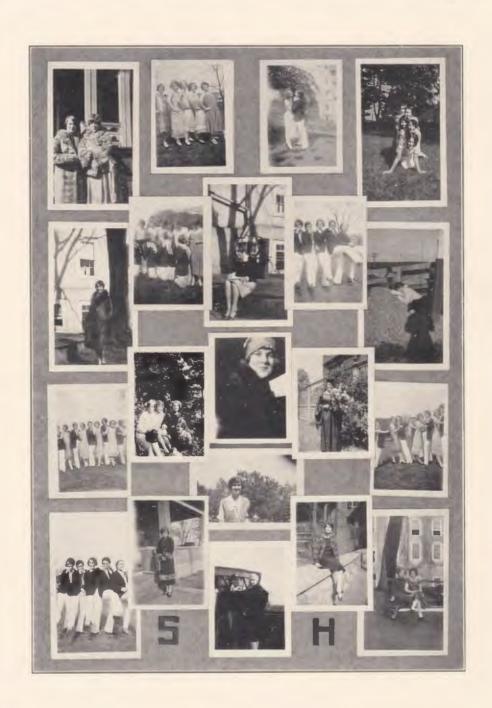

MINNOW ATHLETICS

Social

T IS a well known fact that one of the most important phases of a school life is its social activities. Owing to the late commencing of Augusta this year, we regret that we were unable to have the Opening Hops.

The dances of the present season will be recorded as the most successful and enjoyable ones that the corps has ever experienced. The success of them is due largely to the members of the Cotillion Club and the "Cadet Ramblers."

The cadets have taken more interest in the dances than in previous years, and everyone has done his share to "pull" the Hops off in fine style. The officers of the Cotillion Club are as follows: President, M. L. Bolling, Jr.; vice-president, E. M. Pryor; secretary, J. T. Palmatory; treasurer, R. T. Marks.

The committee is composed of Cadets A. Ambrose, E. Smith, J. C. Goodwin, W. B. Huddleston, L. W. Bratt, J. L. Alexander, and C. S. Roller III.

The first dance was an "Informal" on the night of October 9th. This was indeed a most delightful affair and was enlivened by the presence of many wonderful girls from Staunton and nearby towns. The music was furnished by Jennings Campbell's "Cadet Ramblers," better known as the "School Orchestra."

On the night of October 23rd, another "Informal" was given for the benefit of the Athletic Association. This dance was also a great success. The music was furnished by the "Cadet Ramblers."

Again, On October 30th, we were treated to a fine "Informal" which was enjoyed by all. The next dance was not until November 20th, which closed the season of "Informals for 1926. This was indeed a great success.

Major and Mrs. Roller gave a very delightful banquet and dance at their home, White Hall, in honor of the football squad, on Friday night, November 25th. The many charms of the Stuart Hall girls, assisted by the "Cadet Ramblers," made this occasion one long to be remembered in our social life.

Then followed a lull from November 25th to December 3rd and 4th. What memories these two dates recall. They were the days of our Thanksgiving Hops and were voted by all attending par excellent. Memorial Hall was beautifully decorated for the occasion, with a large middle piece in the center of the balcony, made of several different colors, and draped from this to the sides were tapering streamers of orange, green, and lavender, which really made a fine color scheme. To aid these beautiful dcorations, a spot light with many different colors was used during the waltzes. This also added greatly to the occasion.

After the Thanksgiving dances, there lapsed in our social season a period of about four weeks, three of which were consumed by Christmas holidays. There was no trouble to get back into the old swing, so another "Informal" was given on the night of January 15, 1927, with a push towards "bigger and better" dances.

Because of conflicting dates of neighboring schools and colleges, Mid-Winter Hops were late this year, being on the 11th and 12th of February. These dances were truly the "berries," the largest crowd thus far in the year attending. The "Virginia Cavaliers" played for the Formal Dance, and the "Cadet Ramblers" for the "Informal."

These dances were indeed a fine set, with a large number of beautiful girls attending. The decorations far surpassed all others of the past for beauty.

Now came another period of social inactivity of about five weeks, but on the night of March 12th, much to the surprise of the dance-hungry cadets, there was another "Informal" that brought many thrills. The music was furnished by the "Cadet Ramblers."

Space need not be taken to tell about the "Informals" during the rest of the season, because they were all above par, as "Informals" go.

Page after page could be filled by the writer and then enough could not be said about the Easter Hops, April 29-30. They are, as a rule, the crowning event of the year, excepting perhaps the Final Ball, and they were up to standard this year. Music was furnished by Kyke Kyser for the "Formal" and by the "Cadet Ramblers" for the "Informal." These dances will be long remembered among the "Hopoids" as the best of the best.

FINALS

Last, but by no means least, came the mad dash into finals. It opened with the final Cotillion Club Hop on the night of June 1st, which surpassed by far all other Informals of the year, as it was the last dance given by the Cotillion Club for 1926-27.

Not to be outdone, the Monogram Club came forth with several hours of supreme pleasure. Cadets in white and young ladies in snappy sport attire made the occasion unique and attractive. For these two dances the "Cadet Ramblers" were at their best, exporting the newest in jazz hits.

The Final Ball of '27 was led by Cadet Captain Adjutant W. B. Huddleston with Miss Patsy Kiser, assisted by Cadet Captain and Drum-Major M. L. Bolling, Jr., with Miss Jaquelin Simpson, and Cadet Captain L. H. Mundin, Jr., with Miss Helen Hancock.

The Military Figure was gone through with extreme beauty and grace, due to the fine coaching of Captain Robinson.

The ladies participating in this wore solid white evening gowns, each young lady carrying a large corsage of American Beauty Roses. The cadet officers wore "Full Dyke." This presented a very attractive and striking scene.

The ballroom was placed in the hands of an interior decorator, who fully lived up to his reputation, changing it into a palace of color and enchantment. After hours of happy and pleasant dancing, which passed away like minutes, a recess was called in favor of the dining hall, where all enjoyed the delicious "Final Ball Banquet."

From there, we returned to the ballroom, where many never-to-be-forgotten hours were spent joyfully and happily, until the wee small hours of the morning. As the sun was peeping over the top of the Blue Ridge Mountains, the orchestra played, "All the World Is Waiting for the Sunrise," an old piece, but very appropriate.

Many hearts were sad as the cadets walked out through the tall doors of Memorial Hall in full dress uniforms for the last time. So the social season at "Old Augusta" came to an end, leaving us the satisfaction of knowing that we still live up to our former traditions of having the best "Prep" School dances in the State of Virginia.

The officers of the Final Ball for the year 1927 were: President W. B. Huddlestun, leader; Cadets M. L. Bolling, Jr., and L. H. Mundin, assistant leaders. The committee consisted of Cadets L. W. Bratt, C. S. Roller III, E. Smith, A. Ambrose, J. L. Alexander, J. T. Palmatory, E. C. Ramsey, W. Collier, R. G. Saunders, J. M. McCutcheon, H. S. Nuckols, and J. C. Goodwin.

PASSING THE BUCK

The Colonel tells the Major
When he wants something done,
And the Major tells the Captain
And gets him on the run.

The Captain thinks it over,
And to be sure and suit,
Passes the buck and baggage
To some shave-tail Second Lieut.

The Second Looey ponders,
And strokes his downy jaw,
Then calls his trusty Sergeant,
And to him lays down the law.

The Sergeant calls a Corporal,
To see what he can see,
So the Corporal gets a Private
And the poor darned Private's—ME.

FOR SALE

A car, called a Ford, with pistons and rings, two smashed up wheels and a broken spring; has jammed-up fenders and such a leaky tank, headlights broke, and I've lost the crank; carburetors in place—on the blink too; engine hits fine—on three or two; side curtains ripped, the back's caved in, snapped off, too, is the shifting pin; has a Ford radiator, and I swear it leaks; windshield's broke, differential tweaks; all tools missing, steering knuckle's bent; front tires ruined, not worth a cent; dash fixtures gone, the rear tires the same, taken by a party who left no name. The reason "Izzy" is such a sight, she was kissed by a street car Saturday night. If you are looking for a bargain, folks, step right in; it's still a good car, for the shape it's in.

WHAT'S WRONG HERE?

I had crossed the bay from 'Frisco To Chicago in New York, Just to drink a chicken sandwich Made of venison and of pork.

It was midnight, seven-thirty
On the forty-first of May;
It was pitch-dark in the sunshine
For the fish were eating hay.

Ten firemen—there were fifty— Laid upright standing down, And climbed up to the cellar Of a white house painted brown.

The East-bound tracks ran Westward As falling sparks arose; An armless man stood naked With both hands inside his clothes.

The heat was cold and icy,
The ocean's waves were dry,
A fare-cab backed forward
And a dead man wouldn't die.

The cats were barking loudly
At a bearded female man,
Who shaved off all his whiskers
With a rigid folding fan.

A blind man stood still running, Looking at me with both eyes, And Captain Bill rejected this Because it won first prize.

ARE CATS PEOPLE?

I will endeavor to prove to you that "Cats are people."

Suppose now, a rich man dies, leaving all his money to his eldest son, with the proviso that a certain portion of it shall be spent in the maintenance of his household as it then existed, all its members to remain under his roof, and receive the same comfort, attention, or remuneration they had received in his life time. Then suppose the son, on coming into his money, and being a hater of cats, made haste to rid himself of a feline pet that had lived in the family from early kittenhood, and had been an especial favorite of his father's.

Thereupon, the second son, being a lover of cats and a hater of money, sues for possession of the estate on the grounds that his brother has failed to carry out the provisions of his father's will, in refusing to maintain the household cat.

The decision of the case rests entirely on the social status of the cat. Shall the cat be considered as a member of the household. What constitutes a household anyway?

The definition of the "household" in the Standard Dictionary is as follows: "A number of persons living under the same roof."

If cats are people, then the cat in question is a person and a member of the household, and for failing to maintain her and provide her with the comfort and attention to which she has been used, the eldest son loses his inheritance. Having demonstrated that the question "Are Cats People?" is anything but a trivial one, I now propose for the office of judge of that court—myself. In seconding the proposal and appointing myself judge of the court, I have been careful to follow political precedent by taking no account whatever of any qualifications I may or may not have for the office. For witnesses, I summon two great shades, towit: King Solomon, the wisest man of his day, and Noah Webster, the wordiest. And I say to Mr. Webster, "Mr. Webster, what are the common terms used to designate a domestic feline whose Christian name chances to be unknown to the speaker?" and Mr. Webster answers, without a moment's hesitation, "Cats, puss, pussy, and pussy-cat."

"And what is the grammatical definition of the above terms?"

"They are called nouns."

"And what, Mr. Webster, is the accepted definition of a noun?"

"A noun is the name of a person, place, or thing."

"Kindly define the word place."

"A particular locality."

"And thing?"

"An unanimate object."

"That will do, Mr. Webster."

So, according to Mr. Noah Webster, the entity for which the noun cat stands must, if not a person, be a locality or an inanimate object. Then a cat must be a person.

Suppose we consult King Solomon. In the book of Proverbs, chapter XXX, verse 26, says: "The coneys are but a feeble folk, yet they make their houses in the rocks."

A coney is a kind of rabbit; folk, according to Mr. Webster, only another word for people.

That settles it; if the rabbits are people, cats are people. Long lives to the cat.

KODAKS AND SUPPLIES

"GOOD APPEARANCE—"Just what is good appearance?" That old question bobs up again. "And what is style?"

SOCIETY BRAND CLOTHES—The wider shoulders, narrower hips, shorter coats, full trousers—these are some of the new features. And of course a perfect fitting KNOX HATS—One of the first and most noticeable things about man's attire is his hat. It must be the right shade, and shape. We have then.

FLORSHEINS—The shoes are one of the most important factors. They must be stylish, comfortable and serviceable, of the right cut and color.

MANHATTANS—A handsome soft pleated skirt with separate collar to match, or plain or fancy striped shirt with attached collar—Silk neckle.

FURNISHINGS—Then, of course, there are other small things such as Interwoven Socks, Cheney Ties, Paris Garters, Varsity Underwear and Pajamas.

We have all the things that tend to make "Good Appearance" at any price you'd like to pay, and whatever the price you'll be sure of a BIG money's worth.
